

Handout Requirements

General Information

- New Orleans Academy of Ophthalmology 73rd Annual Symposium
Outta Sight: Getting Groovy with Glaucoma, Cataract and Refractive, and Oculoplastics
- February 1-4, 2024
- Jointly provided by Postgraduate Institute for Medicine and New Orleans Academy of Ophthalmology

Target Audience

This activity is intended for physicians engaged in the care of patients with ophthalmology.

Educational Objectives

After completing this activity, the participant should be better able to:

1. Recognize and explain the diagnostic criteria for glaucoma as outlined in the clinical guidelines, including the assessment of optic nerve head appearance, visual field testing, and intraocular pressure measurements.
2. Demonstrate the ability to access, interpret, and apply the most current clinical guidelines and research findings related to cataract diagnosis and treatment to optimize patient care
3. Identify evidence-based practices and distinguish them from anecdotal or non-evidence-based approaches in the diagnosis and treatment of oculoplastic conditions.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified conflicts of interest (COI) are thoroughly mitigated according to PIM policy. PIM is committed to providing its learners with high quality accredited continuing education activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

The faculty have no relevant financial relationships with ineligible entities to report which are related to the educational content of this CE activity.

The PIM planners and others have nothing to disclose. The New Orleans Academy of Ophthalmology planners and others have nothing to disclose.

Method of Participation and Request for Credit

In order to obtain your CME/CE certificate, please follow the steps below at the conclusion of the activity:

1. Go to www.cmeuniversity.com
2. Login or Create a New Account (will take less than 1 minute)
 - a. If you receive a message when creating a new account that “the email you entered is already in use”, please click the [forgot my username or password](#) link to have your Username and Password sent to you via email
 - b. After logging in, you may be asked to verify/update your information; after doing so, click Save at the bottom of the page
3. Type in **18162** at the top of the page, “Find Post-Test/Evaluation by Course”, and click enter
4. Click on the activity title when it appears
5. Choose the type of credit you desire
6. Complete the online assessment
7. Receive an immediate CME/CE Certificate to download and/or print for your files

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and New Orleans Academy of Ophthalmology. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Medical Education

The Postgraduate Institute for Medicine designates this live event for a maximum of 20 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.
