Dear Exhibitor:

The New Orleans Academy of Ophthalmology (NOAO) is looking forward to our upcoming 71st Annual Symposium **Back in Plain Sight: Glaucoma, Cataract, and Pediatrics**, to be held February 11-13, 2022. We invite you to be a part of a cooperative effort to provide educational excellence in ophthalmology in the Gulf South and beyond. We are confident that our 2022 topics and faculty will make for an even stronger meeting, and it is our sincerest hope that you will again choose to exhibit with us. As in previous meetings, we will feature coffee breaks and entry paths through exhibits to help maximize your exposure to attending physicians.

The 2022 meeting will be held at the Sheraton New Orleans Hotel at 500 Canal Street. **For room accommodations, please call (504) 525-2500 and ask for the room block under the New Orleans Academy of Ophthalmology.** Rooms are \$219 per night and should be reserved before January 13, 2022. Please make your reservations well in advance, as there will be limited room availability after January 13.

This year, we are offering three options for exhibit space: **6' tabletops for \$1,250, 6' x 8' booth for \$1,850 or 8' x 10' booth for \$2,500.** The prices go up on December 30, 2021 to \$1,500, \$2,150, and \$2,750 respectively, so plan early! **Please note that for 2022 the optional booth package has again been incorporated into our prices. The basic booth fee** includes: an 8' high back drape, 3' high side dividers and a 7"x44" one-line identification sign, two chairs, a table with standard skirting, and a wastebasket. The tabletop package includes two chairs, a table with standard skirting, and a wastebasket. Exhibitors may purchase additional materials or furnishings directly through Alliance Exposition.

Opportunities are available for corporate support of our many events and activities. For more information on how your company can underwrite an event, please call 504-861-2550.

A contract, floor plan, and FAQs are enclosed. Contracts can be returned by fax to 504-861-2549 or by email to edavie@noao.org. You can also mail checks and/or contracts to 8131 Oak St., Suite 300, New Orleans, LA 70118.

Please don't miss this opportunity to exhibit at the NOAO 2020 Symposium. If you have any questions or concerns, feel free to call us at 504-861-2550.

Cordially,

Frequently Asked Questions:

Why should my company exhibit at the NOAO Symposium?

Our Symposium is an ideal size and location for reaching a variety of ophthalmologists from urban and rural communities and have in-depth conversations on how your company can fulfill their needs.

How is this event formatted?

The Annual Symposium will be held as a hybrid-style event with both virtual and in-person attendees. The onsite event will consist of one General Session with coffee breaks in the Exhibit Hall throughout the day; workshops will be held in the afternoon. Opportunities for corporate-supported events are available during lunch or evenings.

What is the usual number of MDs that attend?

The symposium draws more than 300 attendees annually. According to our data from 2021, most attendees participate in-person, or partially in-person and partially virtually.

What is the usual number of ODs that attend?

None.

What other groups might attend?

Technicians and Residents/Fellows. There is a concurrent technicians' conference on Friday.

What is included in the fee for booth exhibitors?

The basic booth fee includes the 8' high back drape, 3' high side dividers, one 7"x44" one-line identification sign, a standard skirted table, two chairs, and a wastebasket ONLY. Tabletop booths will not include pipe and drape. Additional materials and furnishings can be purchased through Alliance Exposition.

Is there a limitation on the number of company representatives per booth?

5 representatives are allowed per company. Additional name badges cost \$50 each.

Can we use a banner stand behind our table?

Yes.

Are there any limitations on the type of equipment we can exhibit?

There is no real limit to what can be displayed, except that we cannot have anything in the exhibit hall that would produce a flame or put anyone in danger (like an open burner).

Can we pick and choose which days we'd like to exhibit?

Exhibitor check-in is on Thursday. All exhibits are required to be staffed on both Friday and Saturday.

CONTRACT FOR EXHIBIT SPACE
